

Update on QZ8501

Singapore, 28 December 2014 (1830H) – As of this update, 47 relatives and friends of 57 passengers on board Indonesia AirAsia flight QZ8501 have registered at Singapore Changi Airport's Relatives' Holding Area (RHA) at Terminal 2.

Help and support are being provided to them at the RHA by 36 Changi Airport Group (CAG) care officers and four counsellors from the Ministry of Social and Family Development. Other staff from CAG, AirAsia and airport partners, as well as officials from the Embassy of the Republic of Indonesia in Singapore, have also been present to assist.

Arrangements for local accommodation or for travel to Indonesia have been made for the next-of-kin.

The thoughts and concerns of CAG and the Changi Airport community are with the passengers of QZ8501, their families and friends.
